

ANNOUNCEMENTS

Participate in our Pentecost Service June 4 (Two Ways!)

If you *speak a language other than English*, we invite you to be a reader on Sunday, June 4. We have several readers at the same time, so you will not be alone. INFO: Brooks Mason, masonb@stpaulcathedral.org. Also, celebrate the birthday of the Church on that day by *wearing red*, which represents the power of the Holy Spirit and the tongues of fire that appeared over the heads of the first disciples on our birthday (Acts 2).

Help Us Plan Our Future Together!

We invite you to complete the Church Assessment Tool (CAT), a survey that will help leaders gauge the strength, vitality, and trends in our church. The information gained from this assessment will help St. Paul’s leaders as they make decisions about our congregation’s future. Cathedral members should receive an email with a link to take the survey. If you do not have email or prefer to take a paper copy, please contact the office. Please do not discuss the survey or your answers with others to avoid influencing their answers. All answers are strictly anonymous. We have no way of matching any assessment to a particular person, so please share your perceptions, opinions, and experiences candidly. Our future together is dependent on your participation and honest answers. Questions? Contact Jeff Martinhauk, martinhaukj@stpaulcathedral.org

We Need Participants for Youth Sunday!
