

## 69th Annual Mass Hospital School Christmas Party

Each year the Department of Massachusetts hosts a Christmas party for the severely disabled children at the Canton Hospital School. An annual event that has span over 69 years.

Christmas Hospital Program committee seeks your donations in order to continue the mission of bring a smile to the faces of these children. The Committee seeks monetary donations only by Posts, Districts, their Auxiliaries and personal or Company gifts. This method has over the years assured the Committee is able to purchase appropriate gifts to meet the requests of the children. Your cooperation with the Committees' request will result in every child receiving a gift that they have asked for resulting in no disappointed or forgotten child.

You and your membership are cordially invited to attend on December 11th, 2017 beginning at 7 P.M. We know that you will leave the party with a feeling of pride that you and our VFW organization care for these special children at Christmas time.

In addition, each year the Department of Massachusetts with your help sponsors a severely disabled Child to "Disney World". The child, a student at the Massachusetts Hospital School, will be one of many that will go on this trip.

The Committee would appreciate receiving your donation so that adequate plans may be made for the purchase of gifts and the Disney World Trip. We are most grateful for your generous support of this program.
