PRAYER is essential for our daily walk with God. Here at Trinity we have the opportunity to lift up the needs of others who request prayers each week on the Friendship Pads or to our church office. Please consider joining Trinity's prayer team. All that is required is a willing heart to lift up each prayer request to the Lord. If you are interested, please provide your email address to the church office using prayers@trinitynet.org. Each week, prayer requests will be sent out to the email you have provided, reaching our Prayer Team and pastoral staff. The power of prayer is effective!

CHURCH WORK STUDENT GRANTS This annual grant to college students pursuing professional church work is making a difference! The purpose of the student aid fund is to make it possible for young men and women, who lack financial resources and who already have the desire and ability, to train for full-time service in the church. District financial support is available to all college and seminary students who are attending an LCMS school training to become pastor, teacher, deaconess, parish worker, DCE, lay assistant or other full-time ministry position. A new application must be filed each year. For 2023-24 awards, students simply need to contact the school's financial aid office to get the District Financial Aid Application and return it to their school before May 15. The form and other information can also be found on the NWDLCMS.ORG website under Financial Resources/Financial Aid.

Starting today, every family in our childcare, school and church—that means YOU—now has access to a one-year membership to Ramsey+ at no cost to you!
