

Homebound

A new school year also means a new school theme. This year the theme is "Built Up in Christ" with the Bible verse to accompany it being Colossians 2:6-7...

"So then, just as you received Christ Jesus as Lord, continue to live your lives in Him, rooted and built up in Him, strengthened in the faith as you were taught, and overflowing with thankfulness."

Imagine a construction site. Before the walls go up, before the roof is added, workers spend countless hours making sure the foundation is strong. If the foundation is weak, the entire building is at risk. But when the foundation is solid, the structure can withstand storms, wind, and the test of time. In the same way, our lives are built on a foundation. Colossians 2:6-7 reminds us that Jesus Christ is that foundation. As we spend time in God's Word, worship, prayer, and Christian fellowship, God continues to build us up in faith. Challenges may come, but when our lives are grounded in Christ, we have the strength and stability that only He can provide.
