

Surge Information

Dear Youth Workers,

It is time to bring an exciting new energy to our District TNT. While "Festival of Life" is a great part of our history, we are ready to introduce a new name that reflects the current direction of our district. Since this event is where we prepare for the "explosion" of our God-given talents at TNT, we wanted a title that embodies the intense build-up to that explosion—and we landed on Surge.

The mission remains simple: "Moving Towards God's Purpose." At Surge, we will use our gifts and blessings to move toward God's purpose, both individually and as a district. We are all excited about this fresh focus and the energy it brings as we prepare ourselves for what's next. We hope you are ready!

We are very excited to share some details for the upcoming Surge (District TNT) Event which will be held on November 20th – 21st, 2026 at Dublin First Church of the Nazarene. This is an incredible opportunity for students to gather, share their awesome talents, and connect with each other.

Surge serves as a prerequisite for the Top Nazarene Talent (TNT) event held at Trevecca Nazarene University in Nashville in April. Students who win in their events on the district level will have the chance to share those talents on a large stage, competing with other students from across the southeast region.
