

## 1,000 Hearts

We are stepping up to meet this current dreary circumstance with love and joy. Each week, our Good Samaritan Hospice Volunteers are putting together crafts or gifts to help brighten the day of our 1000 friends. So far we have delivered greeting cards, verses, book marks, Easter baskets, inspirational books and more. We have approximately 12,000 items that are in various stages of being completed, going to be delivered or have already been delivered. And now we are looking for your help to do even more!

Attached you will find a link to our Amazon "Wish List". The list contains items we are currently seeking to fulfill our projects. Please feel free to share the link with as many people as you can. Should you choose to make a purchase yourself, please just make sure the item is being shipped to Good Samaritan Hospice – 1065 Ruth Street – Prescott, AZ 86301 (the address should populate automatically for you) and also please make sure you check the quantity. We may need 10 of something, but you may only want to purchase 1 and we don't want you to be charged for more than you wish. And last, please note that purchases for this one-time, situational need for 1000 Hearts are not tax-deductible.

Thank you so much for your consideration and for helping bring a smile to a senior's face and for making their heart happy!
