Are you looking for ways to effectively address unfinished learning? Join us as we explore powerful resources and tools to make informed and intentional instructional decisions.

- This workshop will focus on meeting students' needs through acceleration vs. remediation of the **Illinois Priority Learning Standards**.
- Content will include the Instructional Shifts for Literacy using complex texts and building knowledge.
- To gain clarity on how to narrow your curricular focus, the IPLS will be reviewed to facilitate vertical articulation across grade levels.
- Instructional strategies will be shared for foundational skills such as developing word knowledge (phonics, spelling, sight words, and vocabulary).
- Presenters: Kathy Bruni & Char Cieply
