

# Welcoming & Supporting *newcomers* through a Multilingual Learner Intake Plan

Oct. 24, 2023  
8:30am–3:30pm

Center for Professional Learning  
503 N. County Farm Rd  
Wheaton, IL 60187

The number of immigrant families has been increasing in our area, and districts are looking for ways to best meet the academic, linguistic, social, and emotional needs of newcomer families and students.

Since newcomers and their families need a myriad of support from multiple sources, this workshop is designed to support **leaders, coaches, coordinators, and directors of EL programs** in developing and implementing a Multilingual Learner Intake Plan. This plan recognizes the needs of newcomers and addresses how schools and districts can comprehensively meet these needs so newcomers have the necessary foundation to thrive. *Participants are encouraged to come with a small team and capitalize on this opportunity to plan together.*

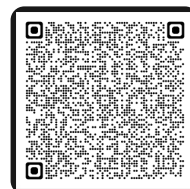

Join us as Shadia Salem helps us:

- Examine ways to support students and their families as they enter a US school system for the first time
- Gain best practices on the development and implementation of newcomer intake plans
- Draft components of a Multilingual Learner Intake Plan for your school or district
- Explore resources and tools related to intake plans for newcomers
