facilitated by

MARZANO Resources

Tuesday, August 1 | Wednesday, August 2 | September (TBD)

The DuPage Regional Office of Education is proud to offer a 3-day training on Leading Standards-Based Learning.

Standards-based learning is a great step forward for schools, but it must be implemented correctly to ensure the best educational experience possible. In this comprehensive training, participants will explore a research-backed, five-phase plan for leading the transition to a standards-based system. Participants will learn specific steps to develop a curriculum, train staff, leverage technology, deploy new reporting systems, and communicate with stakeholders.

The full-day workshops will include breakfast, lunch, and the book, *Leading Standards-Based Learning*.

COST

Individuals: The price of the 3-day workshop is \$1,200. However, the DuPage ROE will incur 50% of the cost, bringing registration fees to \$600 per person.

Groups of 3: The registration fee for groups of 3 individuals registering together is \$1,450, a savings of \$350.
