

EARLY CHILDHOOD WORKSHOPS

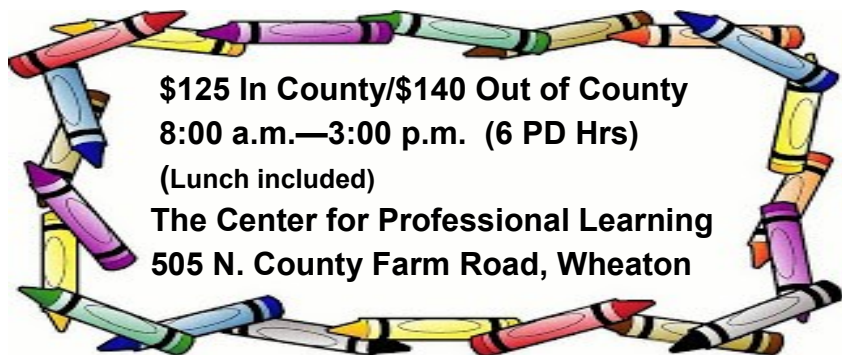

JUNE 17, 2019

Implementing Developmentally Appropriate Practice with Academic Requirements

PRESENTER: Julie Kallenbach

This workshop for preschool, kindergarten and early elementary educators will explore how to apply developmentally appropriate practice (DAP) to any type of curriculum resource by adhering to principles of excellent instruction according to the Danielson Framework with Early Learning Examples. The learning objectives are to:

- Define the alignment of excellent instruction and DAP
 - Examine learning trajectories in reading and math to meet end of year standards
 - Adapt learning activities (including play-based) to become more developmentally appropriate
- Bring your curriculum resources!

\$125 In County/\$140 Out of County
8:00 a.m.—3:00 p.m. (6 PD Hrs)
(Lunch included)

JUNE 18, 2019

Creating Play-based Units of Study and the Teacher's Role in Promoting Learning through Guided Play

PRESENTER: Julie Kallenbach

A practical workshop for preschool through early elementary educators to adapt units of study to include choice, playful learning and guided play. The learning objectives are to:

- Design units of interest to students using curricular resources
- Plan how to embed and practice academics in play
- Learn techniques that support growth using guided play
- Include learning activities that support executive function
