

You're Invited to a  
**EQUITY GOAL-SETTING MEETING**  
hosted by the Equity and Excellence Steering Committee

June 22, 2023 | 8:30am to 3:30pm | \$35

The Equity and Excellence Steering Committee is pleased to invite teams of educators to join them for an equity goal-setting meeting on June 22 from 8:30am to 3:30pm. Participants will learn concepts related to change management and the connections between equity and social-emotional awareness. There will also be a discussion on the structure of systems and its impact on aspirations.

In addition, teams will:

- create equity embedded measurable goals that align to the Equity Framework
- use the Continuum Data Elements to ensure goals are aligned to tangible outcomes
- employ the SMARTIE Template to ensure inclusive and equitable considerations are embedded in the goal.

The workshop will be led by [Dr. Deidre Farmbry](#), an independent consultant and career educator. Dr. Farmbry spent more than 28 years in the Philadelphia school system serving in a variety of positions including chief academic officer, regional superintendent, high school principal, and English teacher. She has a passion for and a commitment to African-American male success.
