

SEL for Your School and District

The SEL Hub at the DuPage ROE wants to help with your SEL-related goals and priorities this year!

Click [here](#) to learn more about the REACH (Resilience Education to Achieve Community Healing) statewide initiative process.

We can also potentially partner with your school or district to expand trauma-informed practices and/or strengthen SEL programming. By completing this [brief survey](#) and sharing your school or district's top SEL and Trauma-related needs, we can best match our services to your needs.
