### From Standards to Assessments:

Monday, February 21 / 12:30pm – 3:00pm

*Once you have a basic understanding of the new Illinois Arts Standards, what comes next? This session will review the standards and then focus on the next steps in creating a quality curriculum that includes well designed assessment. This overview of assessment development will also provide the tools and an opportunity to create or revise your own assessments that will align directly to the new standards and accurately assess student learning – and even student growth.*
