## **Virtual Professional Learning Community (PLC)**

**Course #OW137**

**Register Here**  
(Register once for all 3 PLC's)

Join fellow educators without leaving your school/office for three free virtual PLCs focused on the KIDS Assessment.

The DuPage Regional Office of Education in partnership with the Illinois State Board of Education KIDS Coach is pleased to share our first virtual Professional Learning Community to build background on the Illinois KIDS Assessment. The purpose of these sessions will be to debrief, share ideas and learn more about the KIDS Assessment.

### **Virtual PLC 1:**

**November 8, 2018  
3:45 - 4:45 PM**

Please be ready to share with colleagues ways of collecting and organizing data that worked for you!

### **Virtual PLC 2:**

**November 29, 2018  
3:45 - 4:45 PM**

Focus on data: What do the data reports look like? How do you interpret the data? How do you use the data to guide your instruction?

### **Virtual PLC 3:**

**December 6, 2018  
3:45 - 4:45 PM**

Who else can collect evidence?

A whole school approach to the Illinois KIDS observation Tool!

Call in instructions will be sent out upon registration.  
1 PD hour available per session.
