

WEATHER AND CLIMATE FORUM

SATURDAY MARCH 16, 2019

9:00 – 11:30AM DOORS OPEN AT 8:30

NAPERVILLE MUNICIPAL CENTER
400 S. EAGLE ST.
AUDITORIUM

THE DuPAGE REGIONAL
OFFICE OF EDUCATION,
IN COLLABORATION WITH
THE NORTH CENTRAL COLLEGE
ENVIRONMENTAL STUDIES
PROGRAM,
invites you to learn
about and discuss
important topics related
to weather and climate.

Featuring
Tom Skilling
Chief Meteorologist
WGN-TV

Mr. Skilling will deliver a keynote to be followed by a moderated panel discussion with other weather and climate experts. There will be time for questions and answers. Organizations representing energy and the environment will be available after the presentations for information and discussion.

This no cost event is open to educators, students in grades 9+, and the community. **Seating is limited to 300.**

- ***PD hours will be available for educators.***
- **Questions? Email dgreenleaf@dupageroe.org**

Dr. Darlene Ruscitti, Superintendent
DuPage Regional Office of Education
421 N. County Farm Rd.
Wheaton, IL 60187

Appreciation to the City of Naperville for use of the Municipal Center and assistance with coordination.
