

Considerations for Evidence-Based Literacy Instruction

for **MULTILINGUAL** Students

September 20, 2023 | 8:30-3:30

In-Person Training at the Center for Professional Learning

Adelante Educational Specialists will work with participants to build the capacity and knowledge regarding effective instruction for second language learners.

Led by: Amy Mosquera & Jody Slavick

In-County Fee: \$165

Out-of-County Fee: \$190

During this interactive full-day session, participants will explore effective literacy instruction and its components in both general education settings and dual language/bilingual settings.

Effective practices for evidence-based literacy instruction for multilingual learners will be the focus of the day, with attention to the role of phonics instruction.

Participants will engage in deep discussions and activities to enhance their knowledge of the topic. Time will be dedicated for developing district guidance for literacy instruction with multilingual learners.
