*Join us for this exciting opportunity to gain valuable insights and make meaningful connections!*

**EdCamps are FREE informal sessions by and for educators—where anyone can present!**

EdCamps are comprised of sessions determined on the day of the event. They focus on collaboration and connections, group expertise, instructional design, and tech tools.

EdCamps do not have pre-scheduled presentations ... so how does it work? During the morning of the event, the schedule will be created in conjunction with everyone there. Sessions will be spontaneous, interactive, and responsive to participants' needs!
