SEL

Summer Symposium

The DuPage ROE is pleased to present a series of virtual SEL workshops on Thursday, August 4, 2022. Each participant will receive ideas and strategies to further their knowledge in implementing SEL into their school day to create safe and healthy schools and classrooms. There will be multiple two-hour sessions throughout the day starting at 8 am and continuing until 4:30 pm.

These *free* interactive workshops, which are sponsored by the SEL Hub grant, will allow staff to plan and prepare for the new school year with a solid SEL focus to support their students. Attend as many sessions as you want!

Click on any of the links below to get more information on a particular course or to register. Deadline to register is 7/28/22.

8:00 am

[Discipline or Punishment? The Powerful Impact of Building a Relational School Community](#)

Discipline or Punishment? The Powerful Impact of Building a Relational School Community—Discussion on restorative practices in the school setting and a brief overview of restorative practices, current trends, and provide practical strategies that can be utilized in the future.

[Wellness Writing: A Leadership Collaboration for Social Emotional Learning](#)

English teachers will share the ways they used writing to foster, develop, and support social-emotional well being and mental health with high schoolers.

10:15 am

[Building Classroom Community: Sharing Circle Protocols and Restorative Conversations](#)

Educators use circles for many purposes, but the true power of Sharing Circles is their ability to create trust and community within a classroom.

[Whole Child Engagement](#)

Focus on ways to build relationships with students and families in the education process, effectively and efficiently meet the emotional needs of students, and create parent partnerships that support student resiliency.

12:30 pm

[Creating Heart-Centered Classrooms](#)

There is a special connection within the learning community that empowers students to bravely embrace challenges, learning is transformed into powerful experiences, and there is a calming presence that supports emotional regulation.

[School Refusal: Interventions and Strategies](#)

Interactive discussion around interventions and strategies to promote active school engagement with emphasis on supporting students, educators and families who have struggled during the past year.

2:30 pm

[Creating a Trauma Sensitive Restorative Classroom Culture](#)

Explore stress, trauma, basic restorative practices and how to develop healthy relationships to build a positive, supportive classroom culture.
