

# School & Teacher Programs

## Interactive Education

SCARCE provides hands-on educational programs. We can work with you to customize programs for your students.

Our eco-experts help schools go green. We consult on:

- Going Zero-waste
- Recycling
- Green Cleaning programs
- Food Waste Reduction
- Lunchroom Composting
- And more!

## Earn PDs & Graduate Credit

Earn credits through engaging environmental education courses for all levels. Full/Multi-Day programs include immersive site-visits exclusive to SCARCE.

Examples of our Programs:

- Natural Resource Globe Make 'n Take
- Watershed Model Training
- Composting

Full & Multi-Day Programs:

- Institute Day Workshops: GREEN STEM: Water Dynamics or Energy Conservation & Green Building *(Spring)*
- **5-day Summer Graduate / PD Courses:**  
*Where is Away? (June 17-21) & Living Water (June 24-28)*  
*Plus half day on July 1 for presentations*

## Book & Supply Resource Center

SCARCE provides books and supplies for schools and non-profits. All you need to visit and browse is your school ID! There is a \$5 suggested donation per box of items.
