

# Join us for our Beit Midrash (A Place for Study)

The theme for *Beit Midrash* 2022 will be "Jewish Perspectives of Conflict." Teachers will select biblical, rabbinic, or modern Jewish texts to illuminate approaches to conflict and through these texts will grapple with ideas of reconciliation, grudge bearing, forgiveness, and constructive conflict.

\*\* There will be two special Sunday sessions at 10 a.m. of *Beit Midrash* so we can learn with teachers in Israel.
