

# RECOVERY SIMULATION EXPERIENCE

## How the Simulation Works

The simulation includes common tasks that people in early recovery are often expected to accomplish.

## Everyone is Encouraged to Attend

AICDAC especially encourages people who are interacting with persons experiencing a substance use disorder to participate in the event.

## Comments from Past Participants

*"This experience will help me be more understanding and compassionate for people in recovery."*

*"This simulation made me realize how many barriers exist for those in recovery."*

### Location

**IUP Hadley Union Building (HUB)**  
1319 Pratt Dr, Indiana, PA 15701
