Recovery Friendly Workplace Initiative

As part of our Recovery Friendly Workplace initiative, the AICDAC Recovery HUB is asking for input to help us connect with employers from a variety of sectors that hire/employ individuals in recovery from substance use disorders.

The Recovery HUB intends to build and maintain a list of organizations that are recovery friendly throughout Regions 6 and 7, and we need your help. The Recovery HUB will promote and market the lists through the regions, and engage with employers to build relationships and provide any needed training and technical assistance related to employing individuals in recovery.

This survey will take up to 20 responses, however, if your list of companies is extensive, please feel free to send an email providing the following information to recoveryhub@aicdac.org

*Name of the business:

*Phone number of the business:

*Any comments or helpful information regarding the business:

We value your input and thank you for participating.
