### Memorial Service for Russ Walker- Saturday January 8, 2022, 10:30am

Russ Walker died in the first week of the pandemic, at a time when we thought we would be able to simply delay a service for a month. Other factors have continued to delay an actual date being chosen. But June and her family have chosen January 8, two days after Russ's birthday, as the date for a memorial service.

You are invited to join us for this remembrance and honoring of Russ, as we gather in worship as Russ so loved to do, on Saturday, January 8 at 10:30am at Advent.

### Advent's Guiding Principles— With Jesus Christ as Lord and Savior:

- We believe salvation is a gift from God, available to everyone
- We strengthen our faith as we develop our discipleship
- We are good stewards of all that God provides us
- We serve the needs of each other, our community and our world
- We follow God's will, not our own

**Our Welcome Statement:** *Advent Lutheran Church of Goshenhoppen, a welcoming community of God, believes ALL people are made in God's image and boundless love and ALL are valued equally within our congregation. We are empowered by God through faith to nurture and celebrate the vast diversity among individuals – single, married, partnered, divorced – and embrace their uniqueness in all aspects of life including race, sexual orientation, gender identity, physical or mental abilities, socioeconomic backgrounds and age. We, at Advent, affirm and welcome you to share life with us and participate in God's ministry.*

# Vince Ryan – Minister of Music

## 25<sup>th</sup> Anniversary at Advent

**In January, Vince Ryan will mark 25 years as Advent's Minister of Music.** We congratulate Vince on this milestone and we thank him for serving our congregation and sharing his incredible music skills and knowledge. **We will be recognizing and celebrating this milestone on Sunday January 9<sup>th</sup> at both services.**

Vince arrived at Advent in January 1997 not too long after Pastor Jo Williamson was called to Advent. He continued to serve with Pastor Stephen God-sall-Myers and now with Pastor Mark. We have been blessed to have a person of such high integrity and great musical talents serve our congregation for the past 25 years. Vince is not just an organist, pianist or a musician – he is a “Minister” of music and he takes his responsibility to provide meaningful worship music of all types and varieties very seriously.

In additional to his regular Sunday musical activities, Vince provides direction and leadership to our choir with weekly practices, meets with young students and adults to have them actively engage and provide their musical talents for our worship, and is an active

ambassador for Advent to outside groups and individuals that bring their talents to Advent.

Here are some key accomplishments over the years:

American Music Concerts to celebrate July 4<sup>th</sup> holiday since 2008

Established Music Scholarship program in 2010

Summer Music Camp – started in 2017

Orgelkids pipe organ - outreach music tool purchased in 2020

Advent Concerts – many provided benevolence giving to outside agencies

Concerts and recitals outside of Advent

Established a working relationship with the Gospel Choir of Wittenburg, Germany (The choir has sung at Advent)

Established a working relationship with Castle Church in Wittenburg – has played there and other locations in Germany.

Assistant Organist Project – opportunity for youth to learn more about the pipe organ

Numerous musical compositions

We look forward to Vince continuing to share his musical talents and knowledge with members of our congregation. We invite you to attend worship on January 9<sup>th</sup> and help us celebrate Vince's milestone.

## HAPPY NEW YEAR

### *Looking forward toward 2022*

Dear Sisters and Brothers in Christ,

Happy New Year.

As we head into a new year, I am reflecting on this time last year. We were getting to the end of 2020, and I was so ready to close the book on that year. A year of partisanship, and division, and accusation, and animosity; a year when COVID hit, and there were hundreds of thousands of illnesses and deaths; and all of the masks and isolation and arguments about that, and the restrictions and distancing. It was just a tough year. I remember being so happy for a new year when hopefully we could put that behind us and get back to some sort of normal. LOL

And now, at the end of 2021, I'm looking forward to a new year again. The last year sort of felt like a repeat of 2020. Yes, we got together more, yes, there were some improvements, and yet so much felt the same. Nothing felt normal.

I'm not exactly sure what "normal" is going to look like. But I do know some things that we've learned. And some things I am grateful for.

I'm grateful that when we were doing the job interviews for our new administrator, Katie Rosenberg, I was able to be part of that even though I was on vacation in the upper peninsula of Michigan. Yes it was technology that we had before, but it would have been unusual a few years ago and now it was normal. This is what we do.

I am grateful for the technology and experience that allowed me to help out a gathering of now-grown-up missionary kids from Papua New Guinea. We gather every few years to support and encourage each other. It is emotional and life-giving. When we had that gathering in Minnesota this fall, it was a smaller gathering because of COVID and restrictions on traveling. But I was able to lead Zoom sessions where the in-person people connected up with people Zooming from Australia and Germany and Canada and other parts of the United States. We would not have even thought of doing that in the past.

I am grateful that I was able to be volunteering at the Salford Mennonite/Advent Lutheran community garden even as I was participating in an ordination service in King of Prussia. I was literally there in the garden picking beans and listening to and singing along with (and praying with) a worship service that was happening live at Good Shepherd Lutheran 20 miles away, where a colleague was becoming a new pastor. I never could have done that before.

I am grateful that we were able to worship in person again with our sisters and brothers in Christ at Salford Mennonite church for Thanksgiving eve. And grateful that the two presenters from Advent were incredible in sharing about the hurts and difficulties that they had gone through, and how God worked in that to move them to caring service for the sake of others. I am grateful for the inspiration and witness that they gave.

I am not sure what 2022 is going to hold. I sure do not know what “normal” is going to look like. But there are a couple things that come to mind - ideas or goals for the future.

One has to do with values and priorities. I remember how so many people early on in the pandemic talked about the gift of simplicity and of spending time with family, and wanted to remember and keep some of that. Then, as things sort of started to open up, all of that seem to go out of the window. It reminds me...that we need to take time...to just reflect on our experiences...what we've learned...where we've experienced God...and how we can keep some of those priorities and values and commitments in play as we go into the future. Intentional reflection and learning.

I think about our worship service. It is wonderful having people back in person, and that real personal presence does make a difference. I hope more people consider that. At the same time, our hybrid/online worship welcomes so many more. I know full well there are some who are uncomfortable coming here in person for different reasons. There are people who may be on vacation or may have disabilities. There are people who are not local, but with our online service are able to worship with us from Philadelphia and Chicago and South Australia. Really! All of those places and more. It's a great way for new people to check us out before they come into the community. So I think it's so important to find ways to strengthen that online worship. We want to reach out online and invite people to move from there to coming in-person. At the same time, we need to be intentional about building and caring for community (church) even with those who are not going to connect up regularly in person.

And I think that as we look into the future, we are a little more comfortable not having it all figured out. Not knowing exactly what's going to happen...next year...next month...even next week. Being able to be flexible and adapt and pivot and all those words that you've gotten tired of but are real skills that we've learned.

As we go into 2022, I don't know exactly what the future holds, but I know who holds the future. And there's a prayer I want to close with that is absolutely wonderful. It's in our hymnal and it's something that I like going back to over and over again. So, pray with me.

***O God, you have called your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through perils unknown. Give us faith to go out with good courage, not knowing where we go, but only that your hand is leading us and your love supporting us; through Jesus Christ our Lord. Amen***

Happy New Year!

Your Partner in Christ's Ministry,

***Pastor Mark***

### 2021 Salford Mennonite-Advent Lutheran Church Garden Highlights

2021 was another great year at the Salford Mennonite-Advent Lutheran Church garden. The 3-quarters of an acre church garden increases access to fresh produce to those in our community that need it most, while strengthening social connections between our congregations. Advent has worked with Salford for over 10 years now.

We planted, cultivated, and harvested 15,495 pounds of produce this year! Below are the numbers for some of the produce that was picked this year.

1,047 lbs of beans, 703 lbs of potatoes, 5,629 lbs of tomatoes, 997 lbs of zucchinis, 913 lbs of onions, 1,984 lbs of green peppers, and 1,835 lbs of cabbage, which is a new garden record. We had some heads of cabbage that were 15 lbs a piece!

Here are a few of the organizations we donated produce to this year:

- Keystone Opportunity Food Pantry serving over 250 qualified households per month from the Souderton Area School District.
- Shepherds Shelf serving approximately 60 households per month from the Souderton Area School District, as well as Kulperville, Lansdale and Towamencin.

- Encore Experience Harleysville.
- The Park View Community where our own Diana Shearer delivered produce to the residence, maintaining proper Covid protocols.

On November 6, 2021, Salford-Advent garden Leader Steve Blank, and faithful volunteer Nancy Alderfer, were recognized through a proclamation from the Pennsylvania State Senate for all their years of hard work and dedication at the garden, and for the impact the garden has had in the community.

One thing is certain, nobody can prepare, plant, cultivate and harvest this much produce alone. Please consider stopping by the garden in 2022 or talk with Sharon/Gary Strayer or Jo/Stan Wilhelmson if you have any questions about this ministry. There is something for everyone at the garden. No actual gardening or farming skills are required! We will gladly train you!

## Notes from Council

This year we will review our Welcome Statement and vote on a revision recommended by the church council.

For those attending in person we will be presenting in the Sanctuary. **The Zoom meeting invitation link will be emailed the week of January 17<sup>th</sup> along with a copy of the Annual Report and information for using Zoom.** For those who do not have access to a computer, letters will be sent providing dial in information.

## BREAD DROP SERVICE PROJECT:

Starting in January, our congregation will be putting love into action by asking Advent members to make peanut butter and jelly sandwiches for the **Bread Drop** food program. This local outreach service, partnering with churches and other organizations, serves hungry people in Philadelphia and urban neighborhoods who are experiencing homelessness and food insecurity. If you would like to participate in this ministry, a sign-up genius will be created to volunteer for a slot. Sandwiches will be delivered weekly to Grace Lutheran in Hatfield each Tuesday. Please consider sharing your time to help others in need. Thank you!

## FAIR TRADE SALES

Thank you for supporting **Fair Trade** at Advent! **Over \$1,000 of products were purchased in 2021.** Our next sale will be held on **Sunday, January 23** between services. No cash? No problem! **Members can now purchase items using credit or debit cards!**

## SCS OFFERINGS - LUTHERAN DISASTER RESPONSE:

In view of the many disasters which are currently affecting our world, the **SCS offerings** for the **2021-2022** school year will be donated equally between Advent operating expenses and **Lutheran Disaster Response**. Lutheran Disaster Response brings God's hope, healing, and renewal to people whose lives have been disrupted by disasters in the United States and around the world. For more information, click on the following link: <https://www.elca.org/Our-Work/Relief-and-Development/Lutheran-Disaster-Response>

Please encourage students to participate in the SCS offering. This is an excellent opportunity to provide globally to others in need. Help students understand the importance of sharing. Whether they have an allowance, get paid for a chore, or receive money as a gift, encourage them to share part of those blessings with the church and others!

## Manna to Go :

Dear Members of Advent, part of the Social Ministry team responsibility is to examine specific needs within the **church, community, synod, and world**, and to organize help from our congregation in meeting those needs. One of our programs at Advent, **Manna to Go**, provides meals, transportation, and/or personal care to our members as needed.

If you (or your family) are experiencing an illness, a hospital stay, or some other situation where meals, rides, or another service would be helpful, please let the Social Ministry team know and we will organize our church family to provide whatever is needed. You may also contact Pastor Mark or the church office who will communicate with us. ~Advent Social Ministry Team

# thank you!

## Laurel House

Thank you for your ongoing support in the fight against domestic violence as we approach the holiday season. Laurel House is committed to supporting those affected by domestic violence in Montgomery County and serving as a catalyst for prevention and education for the community. Your donation will go towards the purchase of 12 gift cards, each worth \$25, for our clients to buy groceries, gifts for the holidays, and more. We also have comprehensive programs and services, including emergency shelter and transitional housing, community counseling, 24 hour hotline response, civil legal representation, medical advocacy, community education, and crisis response through our DART program. Additionally, we launched a text line for victims to text and trained staff and volunteers if they are unable to make a phone call.

Your continued support for Laurel House helps deepen our impact and gives those affected by domestic violence a chance for a better life. Thank you for helping make that work possible.

## Shepherd's Shelf Emergency Food Cupboard

On behalf of the families we feed and our volunteers who service, we want to express our profound gratitude and appreciation to you for your commitment to support The Shepherd's Shelf Food Cupboard. Your contribution will be used to purchase gift cards to help the many families with children who find themselves in need this holiday season. Serving over 59 families monthly, distributing over 552 bags of food and supplements each month, we have found silent pockets of need in our area. The Shepherd's Shelf is run almost entirely of volunteers who donate over 200 hours each month. Once again, your generosity makes it possible to help other families.

Dear Advent,

Thank you so much for the care package! It meant so much to receive it, and I loved all of the cards that were inside! I hope all is well, and everyone is getting excited about the holiday season. College is going well, I'm loving it so far! Thank you again!

**Taylor Garges**

Dear Friends of Advent,

Thank you for your gift in support of this year's Giving Tuesday project at Bear Creek Camp. I'm proud to report that collectively our community raised over \$30,000 to purchase new mattresses for all of camp.

I appreciate your care and support for Bear Creek Camp and hope to see many of you here soon!
