

Ageless Love, an Auction Fundraiser Benefiting Northshore Senior Center

Saturday, May 13 from 5:30 – 9:00 PM

Ageless Love, an Auction Fundraiser, will be held at Northshore Senior Center, 10201 East Riverside Dr., Bothell on Saturday, May 13 from 5:30pm-9pm. This fundraiser will support our ongoing programs and activities and provide matching funds for two transportation vans. Vans are used as part of our transportation program that deliver clients to the Centers, doctors appointments and shopping. Our centers provide transportation, hot meals, social interaction, health and wellness programs, social services and recreation activities.

One ticket to the Fundraiser is \$75. A table for 10 is available for \$700. A ticket provides you a buffet meal including appetizers, participation in a silent auction, raise the paddle auction which will fund a transportation need and participation in the main auction.

Our raise the paddle auction will be hosted by Miss Maggie. Maggie is our 102 year old volunteer, who works several shifts as a Front Desk reception, clerks a shift in the Gift Shop, and handles rental information and paperwork. She uses our transportation services in order to remain active in our community.

Here's a view of some of our auction items—Mariner tickets, various restaurant gift certificates, sailboat cruise, haircut a month for a year, jewelry, pet care services, catered meal/event and more. Come see us to find out more and help us offer services to the seniors. We also have event sponsorships available. Information on sponsorships/benefits and our event can be obtained by calling Kerri Schwindt, Program Manager, at 425.286.1030.
