

A message of introduction

From Cheryl Perez, PNP
Membership Officer

Congratulations to the 2021 – 2022 National Officers! As your National Membership Officer, I process your new membership applications (confirm eligibility, enter into the master database, deposit fee check, enter email into constant contact, send temporary membership card when email is provided, order and mail permanent life membership card) as well as update the master roster contact info, transfers and other tasks needed to try and keep our database and rosters as updated as possible.

As many of you have probably heard by now, the rosters are going to be available online through the website once again. We are in the early stages of organizing this and I look forward to working with the MOPHA Communication Officer and MOPH webmaster to coordinate this process.

A reminder, Life Membership Verification forms need to be received by me by October 1st as one of the rebate requirements. The form can be found online at www.PurpleHeartAuxiliary.org under forms. You can fill out online or a copy printed out and scanned and emailed to me or mailed. If you have any questions, please let me know.

Thank you and Shana Tova to my fellow Jewish members!
