

A message of introduction

From National Sr. Vice President, Kay Jo Baucom
KarenBaucom8@Gmail.com

What a wonderful time was had in Charleston, West Virginia as we conducted and experienced the National MOPH / National MOPHA Convention!! To see faces I missed and meet new faces was so exciting.

The venue was gracious and my Patriot and I experienced local hospitality and fortunately had no issues that could not easily be remedied. I most enjoy the faces of comrades sharing and having fun together - a true bond that I witness any time veterans come together -and I was not disappointed. My auxiliary sisters had tons of fun honoring outgoing President Amanda Flener at a Roaring Twenties themed luncheon, eating our favorite ice cream, playing games, dressing up for Mardi Gras and hosting our annual raffle. A huge shout out to now President Colleen Orfanello for the planning, coordination and funding of these activities !!

So many of our MOPH/ MOPHA family joined to help make sure everything was done in the best possible way 💜. The mother/ daughter installation was a highlight, as we witnessed mom, Eileen, share this first ever mother/ daughter event. Kudos to everyone who came, helped, and enjoyed this special time together.

Bring on next year's convention in Rapid City, South Dakota!!! Can't wait 💜
