

MOPHA Monthly Zoom Conference
September 19, 2019
8 PM EST / 5 PM PST

The Video/Telephone Conference will start 15 minutes early to allow members to sign on and introduce themselves. This will also allow for assistance with any technical glitches of participants.

The Conference will be “locked” at 8:15 pm EST (5:15 pm PST). No members will be able to join the call after 5:15. This allows for less disruption during the call. The call will last 45 minutes to one hour Maximum. So please join early or on time.

If you join the conference via video, please introduce yourself in the chat box. While you are welcome to call in on a telephone, we encourage you to log on via ZOOM. This allows you to see the screen and the handouts that are shared as well as see everyone on the call!
