

MOPHA Monthly Zoom Conference

February 20, 2020

5pm (PST), 6pm (MST), 7pm (CST), 8pm (EST).

The Zoom Conference will start 10 minutes early to allow members to sign on and introduce themselves. This will also allow for assistance with any technical glitches participants may have. The Zoom Conference will be “locked” 15 minutes after the meeting has started and no one will be able to join-in after this time to prohibit disruption. So please join early or on time.

If you join the conference via video, please introduce yourself in the chat box. While you are welcome to call in via telephone, we encourage you to log on via ZOOM. This allows you to see the screen and the handouts that are shared as well as see everyone on the call.
