

A message of introduction

From Karen Larabel

KAREN S. LARABEL
NATIONAL REGION 2 PRESIDENT

Thank you Region 2 for entrusting me with another year as your National Region 2 President. It was wonderful to be with many of you in person at our National Convention. We had a great convention including the fun games at our evening social time together and how about that Roaring 20's Presidents. I have enjoyed connecting and communicating with you in the past and will continue to do so. As you work on and complete a project, a special fundraiser, send those pictures and information so we can share them with other units by including them into the online General Orders and MOPH online magazine.

I am excited to announce that Terry Anderson, Region 2 Commander and I are in communication and in the beginning phases of planning a Region 2 MOPH and MOPHA Conference in April!
