

*Helping Our Veterans (HOV)*  
*Georgia Unit 1000*

After our original project to help Moody AFB with a block party for airmen fell through end of March, Unit 1000 used the HOV grant to purchase paper products, masks, cleaners, and non perishables for area veterans. We purchased some larger totes to hold the items and packages some smaller ones in gallon Ziploc bags. We even attached HOV labels  
To the totes and bags!

We reached out to A couple area pastors to see if they knew any veterans in need of a package, we also distributed to a few of the MOPH patriots in the area and one affiliated with the VVA helped to get two packages to veterans recently discharged from the hospital.

In our area, many things are still hard to come by. The packages were very well received and appreciated.
