

## HELPING OUR VETERANS (HOV) GRANT

### TEXAS UNIT 1919

Pictured left is Lilo Saenz, past VAVS National Female Volunteer of the Year for the VAVS National Advisory Committee. Lilo has over 60,000 volunteer hours logged.

Unit 1919 held two events with their funds from the funds from their HOV grant at the CLC Unit at Temple Hospital. On Christmas Eve, patients and their families in the CLC Unit at Temple Hospital all received a visit from Unit members and offered a beautiful cupcake or piece of cake. It was a fun and festive Christmas Eve for the patients, visitors and staff. They also held a football pizza party for a New Year event in January for the patients.
