Region 2 Purple Heart Parking Space Challenge

I am challenging Region 2 Units/Departments to decorate a parking space(s) to honor our Purple Heart recipients. The Department who has the most decorated spaces by June 1, 2026 will receive a \$100 Visa Gift Card from me. Get creative with your decorations by using sidewalk paint, chalk, ribbons, Christmas trees, plants, etc... Please get permission from the businesses before decorating a space. Some possible places could be at the local VA, church, town square, farmers market, Christmas around town event, school, veteran clubs, etc.. This would be a great project for Veteran's Day. Please send your photos of the decorated space to me and to the webmaster and public relations chairman so we can feature your decorated Parking Space.
