## Region IV Team Members

Hope all is well with everyone, and continue to be safe. It's an honor to serve as Region IV President for 2021-2022 and to serve with a great team.

I have also served as Department of Georgia President for three years. Currently serving as 1st Vice President and Chaplain with Unit 492.

I volunteer with two nursing homes in Phenix City, AL where some of our Veterans are residents. I would like to thank past Region President Danie Grant-Jenkins for doing a wonderful job and hope I can fill her shoes.

Thanks to Region IV which consisted of AL., FL., MS., NC., SC., PR., and TN. for the confidence in me to serve as you as Region IV President.
