

HELPING OUR VETERANS (HOV) GRANT

FL UNIT 776

MOPHA Unit 776 makes up bundles of Christmas cards to be sent to Veterans at James A Haley Hospital in Tampa. We put 4 cards in each bundle with a stamp on each envelope. This allows those in the hospital an opportunity to send Holiday greetings to their friends & family. We put a "Thank you for your service" from MOPHA Unit 776 on each bundle. This year we took down 113 bundles. Attached are pictures of some members putting together the bundles.
