

A message of introduction

From Historians, Eileen Oltmann & Carol Lance

As Past National Presidents, we are excited to be able to reach out and capture every moment of this term as well as years past.

This year, we welcome even the simplest of moments to document.

No matter if it's a large party at a Veterans home or a simple luncheon with members, send those photos and excerpts to us. We will compile them in a photo documentary to share at the terms end.

We also want to hear about stories and share experiences of how the LAMOPH and MOPHA have changed over the last 88 years. We cannot forget those precious memories.

Please send in any photos, stories, or memories to Historian.MOPHA@Gmail.com

We will also be available to record your stories over the phone or zoom.

If you have any memorabilia from years past, we would also be privileged to keep them documented.

Love to you all,
Eileen and Carol
