

## DEPARTMENT OF CALIFORNIA HOV PROJECT

The Department of California received HOV funds to purchase material printed with the Purple Heart Medal to make face masks for our Patriots. Units 49, 106, 385 and 750 participated in this project. The Department also purchased additional material and other supplies to make the masks. Each Unit was given five yards of material and supplies.

Helen Glass, 97 years young, and former "Martha Washington" recipient of 2019 resides in Arizona. Helen is a member of Unit 49, and made masks for her former unit's (now closed) Arizona Chapter Patriots.

The rest of Unit 49 masks were made by member Marcia Petrini

Unit 385 had four individuals making masks. Vicky Manjarrez, Penny Hankins, Barbara Colunga-Padilla and Marilyn Hylton

Penny Hankins

Barbara Colunga-Padilla

Unit 750's masks were made by Kitty Hurliman, and Unit 106's are being made by a quilting store.

Altogether out of 20 yards of fabric, we have an approximate total of 450+ masks. Each Unit is taking care of their Chapter Patriots and all four units are chipping in masks to send to those Chapter Patriots that are not supported by a unit. Each mask has a "thank you" note to the Veteran. The requests are coming in and they are all expressing their gratitude to the MOPHA, making this an even more gratifying project!
