

Paula's daughter, Dayna was an active Army soldier from 2005 – 2010, including a 14-month tour in Iraq, and has been in the Army reserves since her discharge from active duty. Last year she re-enlisted for a balance of service to complete 20 years of active/reserve duty. (Photo: Dayna re-enlisting on the steps of the Lincoln Memorial). While her daughter was in Iraq, Paula sent packages for her and other soldiers serving with her. In addition, Paula has also collected funds for TAPS.

I'm sure Paula would like to continue her membership and be informed by your communications. Thank you, Paula and John De Francesco
