

Volunteer of the Month

TIMOTHY HORTON!

Timothy Horton is the father to Scarlett who is in kindergarten, the husband to Sharon and the family has 2 cats and 8 fish. Mr. Horton enjoys supporting his wife in all her volunteer efforts. This year he dedicated countless hours constructing and perfecting our Holiday Float and handling all of the heavy lifting that was involved!

“There is no better reward than knowing you have given the children a reason to be proud of their school” says Horton. We are sure he will enjoy having that Rockstar parking space!

Thank You Mr. Horton! Without awesome volunteers like you, our school wouldn't be as amazing as it is!
