

The graphic features a vibrant background of blue, green, and yellow watercolor-style washes. A large, white, stylized cursive font reads "Riley's Roundup". A silver sailfish is depicted swimming upwards behind the text. Below the main title is a circular seal with a sailfish and the text "FELIX A. WILLIAMS" and "ELEMENTARY SCHOOL". White decorative swirls are on the left and right sides.

Riley's Roundup

Mrs. Riley's RoundUp: November 2019

What an exciting month of November at Felix A. Williams Elementary School! Mrs. Roberts, third grade teacher, represented FAWE at the 2019-2020 Education Foundation Teacher of the Year Recognition Ceremony, where she not only won for the Martin County School District Elementary Teacher of the Year, but she also won as the Martin County School District Teacher of the Year. Mrs. Roberts will represent Martin County at the state level for the State of Florida Teacher of the Year Recognition. We would like to thank our sponsors: FAWE PTA for sponsoring the FAWE Teacher of the Year table at the event and local business Jewelry by Design for donating the 14 karat gold Sailfish necklace that was presented to Mrs. Roberts at our staff celebration. Leonardo da Vinci once said, "Learning never exhausts the mind". Mrs. Roberts truly embodies this mindset, as she not only has a passion for teaching, but also a passion for learning. Mrs. Roberts is truly an "Educational Rockstar"!!!!

Teaching students through the Social Studies curriculum helps to develop student's knowledge, skills, and problem-solving skills to participate as citizens in a global society. Students in various grade levels have been learning the importance of community helpers with a visit from the Martin County Fire Rescue Department, the Election Process, and Florida History through literature. The importance of civic duty was evident as we celebrated our veterans at the Annual Veteran's Day Assembly hosted by FAWE PTA. All students participated in honoring veterans from FAWE families and in the community. Students in grades 3-5 had the opportunity to hear Congressman Mast speak to them about the importance of honoring our veterans and their sacrifice. He reminded students about the American flag and how the soldiers from all branches of the military are the stitches that hold the flag together to protect our freedom. The veterans were very impressed with the songs performed by our students, the thank you cards created by the students, and the overall respect that our students showed during the assembly.

I hope everyone takes the Thanksgiving Break to enjoy time to relax and spend quality time with family and friends.
