

🚗📱 SAFETY FIRST 📱🚗

Did you know? School and work zones are hands-free zones! Effective July 1, 2019, wireless communication devices can only be used in a hands-free manner when driving in a designated school crossing, school zone or active work zone area.

Effective January 1, 2020, motorists may receive a citation for violation of this law - it is no longer considered a secondary offense.

As thousands of children prepare to return to school on Monday, we are asking the community to go **#ALLINMartin** with us for student safety. Stop for school buses and remain hands-free in school zones!
