Principal

Michael McLeod
Assistant Principal

Dear FAWE Families,

The FAWE Staff want to take a moment to once again express our gratitude for how you as parents and guardians helped us to all make the best of a challenging situation to keep learning a priority for our students. We know that whatever the upcoming school year may bring, we as a FAWE Family will rise to the challenge, continue to be stronger together, and be #FAWEPROUD of all we will accomplish to keep the focus on our FAWE Vision- Every Student Every Day and FAWE Mission- Empowerment Through Community!

Listed below are updates as to the plans to distribute student items, ways to continue learning during the summer, and information looking ahead to next school year.

Distribution of Student Items (June 1-4)

Parents will arrive via the carline loop & traffic will be directed using cones to bring cars in the loop close to the back Café door. Staff will radio from parking lot to the staff in Café the student name, grade, and teacher for the bag that has been packed by the classroom teacher with all of the student items from the classroom (including yearbooks and pictures if purchased), place on a cart and roll out to the car for parent to take off the cart through the window. **If a parent has multiple students, then belongings will be distributed at one time instead of parents needing to come back on a different day.**

June 1- grades K & 5 from 8am-12pm

June 2- grades 1 & 2 from 8am-12pm

June 3- grades 3 & 4 from 8am-12pm

June 4- grades K&5 (8am-9am); grades 1&2 (9am-10am); grades 3&4 (10am-11am)

Summer Learning Options- iReady (Reading & Math), EPIC books, Raz-Kids (available until July 1)

Preparing for Next School Year

- **School Supply Lists**- all supplies will be purchased by the school. Parents will NOT need to purchase any supplies for next year. We wanted to take this item off your "to do" list ☺
- **School Library Books at home**- at this time no items will be returned to school. Please continue to keep any library books at home until it is safe to return them next year.
- **Meet the Teacher August 10th**- specific grade level times will be released over the summer once more information is known.

We wish everyone a safe, healthy, and relaxing summer. Keep SAILING!!

Sincerely,

Deborah Riley, Principal

Laurie J. Gaylord, Superintendent
