MANUFACTURER PROMOTION REDEMPTION FORM
REIMBURSEMENT FOR RETAILERS

Answers implements and rewards customers with nationwide and exclusive in-store promotions. When participating, please keep track and submit all promo redemptions with the assigned promo code during the duration of the promotion by completing this form in its entirety for accurate reimbursement. Please note that all reimbursements will be orchestrated by Answers via your preferred distributors. No individual checks will be made. If the promotion is a percentage amount, please list the total discounted dollar amount. The store will receive a credit for the amounts redeemed. If the promotion is a product, the store will receive either product or credit based upon the number of products that were redeemed. If redeeming more than case-quantity, the store will receive a credit. If redeeming less than case-quantity, the store will receive product (*with the exception of inventory being low on promotional products.*)

All stores must submit this completed form within 90 days of each promotion's expiration date in order to receive a redemption.
