## Part-Time Seamstress

### About the Job

We are currently seeking one part-time seamstress to assist in sewing our products. This person would be responsible for the sewing portion of production and work with our other team members to complete a variety of products. Tasks are repetitive and easy to master. Job includes being responsible for correct operation of sewing machines, using materials and supplies efficiently, and using best practices to create the best possible products available. We are especially interested in anyone with experience with industrial sewing machines or who has worked in a manufacturing environment, though it is not required. Greener Grass is based out of a home that has been converted into a small scale sewing facility. Work hours are flexible (15-20 hours per week).

### About Greener Grass

Everyday may not be perfect, but it is beautiful! That's what we believe at Greener Grass Handmade and why we create innovative handmade products to encourage kids and families to enjoy the little everyday moments together. Each piece is made by hand by Melissa and a small team of seamstresses in Fitzgerald, Georgia. Using the highest quality materials - cotton, wool felt, wood - all Greener Grass Handmade products are heirloom quality and made to last. All of our designs are classic with a modern twist and a little Southern charm mixed in. Each item is designed to encourage creative play, family time, and memory making. We are passionate about the importance of growing young imaginations and celebrating childhood one moment at a time.

### Qualifications

- Must be able to work effectively in a team environment.
- Attention to detail
- Dependable and trustworthy
- Independent worker, capable of problem solving
- Support an environment of continuous improvement by making suggestions and implementing where possible.
- Ability/willingness to learn new skills/processes and improve current skills.
- Minimum 3 years sewing experience
- Willingness to assist with other team tasks when necessary

### To Apply

Call or email Melissa Dark to discuss the position. Resumes are helpful, but not required.
