**The Independence Day Fireworks Show** will be the Grand Finale to the evening, and this year's show is expected to be as spectacular, if not more so, than the years past. This is a show unequalled in all of our twenty-two years of delivering fireworks at Paulk Park. Mr. Allen Conger and the Ben Hill County Volunteer Fire Department will orchestrate the show. Chief Jeffery Dobbins and the Fitzgerald Fire Department will stand-by in a support role. Very special thanks are extended to these faithful firefighters and to all of our public safety personnel from the Fitzgerald Police Department and Sheriff's Department for their assistance with the fireworks show and the traffic control.
