- ☐ Please send receipts by ☐ email ☐ regular mail

Signature: _____ Date: _____

Please mail this form and payment to:

Seabeck Conference Center
13395 Lagoon Dr NW
Seabeck, WA 98380

We are using a company called ‘That’s My Brick!’ They use a patented laser marking process that produces a permanently bonded layer of black infused glass on the surface of the brick. This layer is far stronger than the brick itself and is impervious to weathering and other sorts of damage.

The laser engraved marks are flush with the surface of the brick or time, meaning less maintenance and no chance of wear based damage as with deep engraved bricks. The majority of brick fundraising projects take the form of walkways or other similar horizontal installations. A deep engraved mark such as sandblasted engraving tend to fill with sand, dirt, and other materials. This leads to ongoing maintenance problems and costs. Therefore, surface marking provides the best solution.

The company states that independent testing has proven that bricks marked with their process and installed properly ***will last longer than our lifetime.***

BRICK ORDER FORM for Donations of \$1000 or more.

Print exactly as you would like the engraving to appear.

There is a total of 3 lines with 18 spaces per line. Use one character / letter per box, leaving a box blank for each space between words. Text will be centered on the brick.

***Seabeck Conference Center is a 501c3 nonprofit organization.
Gifts are tax deductible as allowed by law.
