# How to Login to Schoology as a Student using Google

Open a Chrome browser and click on Sign In in the upper-right hand corner.

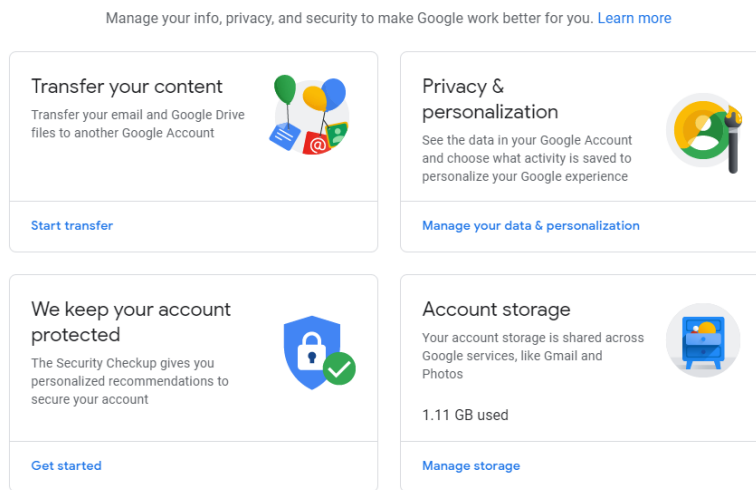

If this is not appearing on your browser page, simply search "Google Sign-In" and click on "sign in"

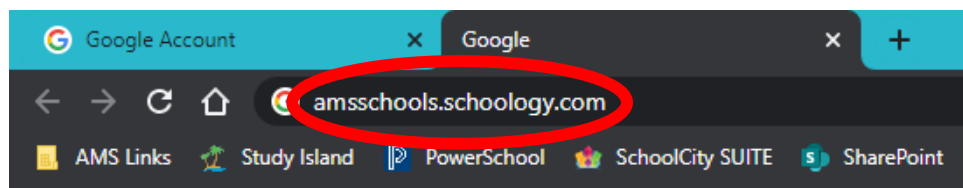

Regardless of which option above you went with, you should arrive at the screen shown below where you will enter your AMS Student Google email (shown below is my login but it works the same as it does for a student)
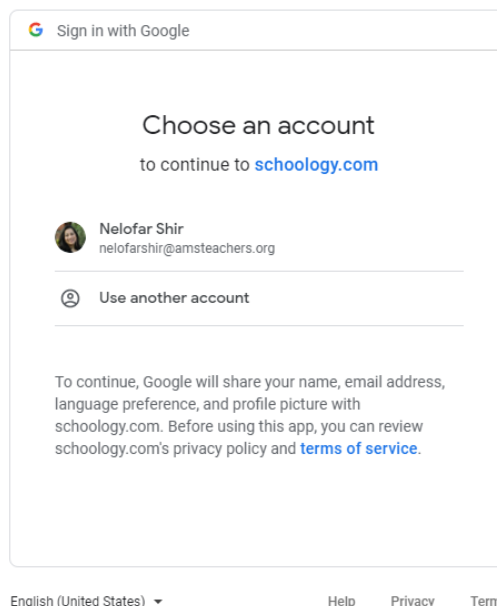

Click next and enter in your password. This gets you into your Google account and you will see a Welcome page that looks like this:

Manage your info, privacy, and security to make Google work better for you. Learn more

Transfer your content
Transfer your email and Google Drive files to another Google Account

Now you know without a doubt, that the student has successfully logged into their AMS Google account. The next step is to open a new browser and go to amsschools.schoology.com.

When you click go, it brings you to the page below where you will select your AMS account.
