Method 2 – Access courses by clicking on “Courses” in the top bar

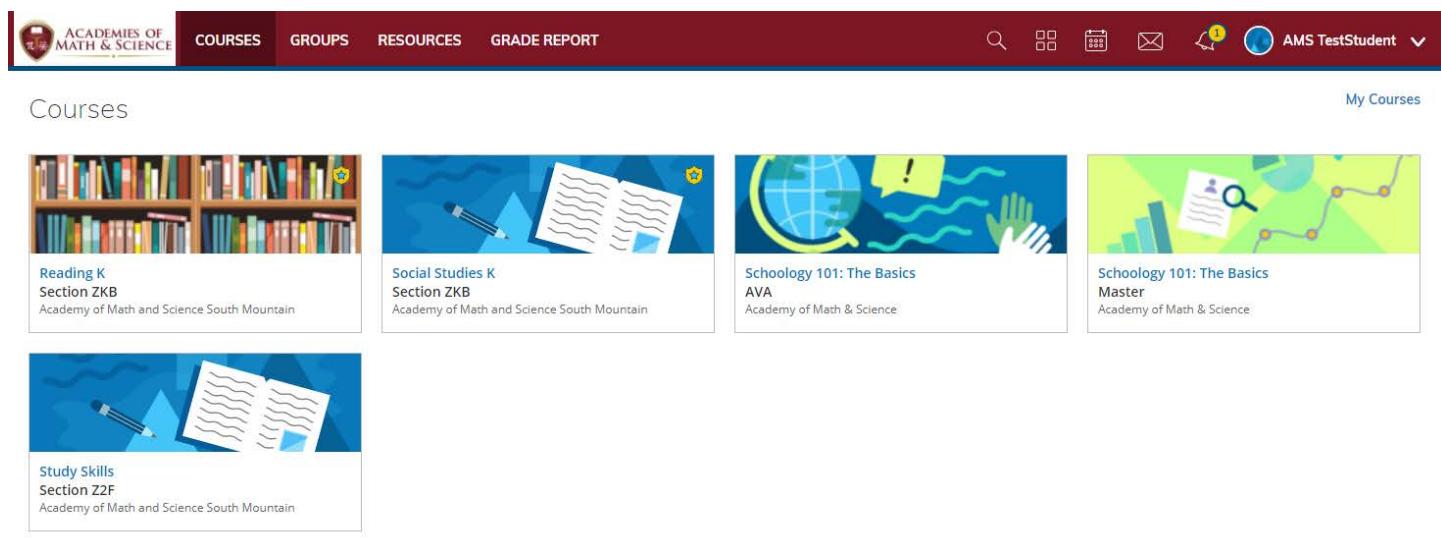

You can access Courses from anywhere in Schoology by going to “Courses” in the maroon bar across the top of the webpage. This is ideal for switching between courses without having to return to the home page.

The screenshot shows the Schoology homepage. At the top, there is a maroon navigation bar with the school logo, "ACADEMIES OF MATH & SCIENCE", and four menu items: "COURSES", "GROUPS", "RESOURCES", and "GRADE REPORT". A red circle and a yellow arrow point to the "COURSES" button. To the right of the navigation bar are several icons: a magnifying glass, a grid, a calendar, an envelope, a message bubble, and a user profile for "AMS TestStudent". Below the navigation bar, there are two main sections: "RECENT ACTIVITY" and "COURSE DASHBOARD". The "RECENT ACTIVITY" section shows a post about a Zoom meeting with a yellow arrow pointing to it. The "COURSE DASHBOARD" section shows a list of courses and their details, including "Upcoming" events like "Morning Meeting" on Tuesday, August 25, 2020, at 7:59 pm.

Clicking on “Courses” at the top brings up a menu that looks something like the image below. However, this menu only shows 12 courses at a time. If you have more than that, you will not see all of them listed here.

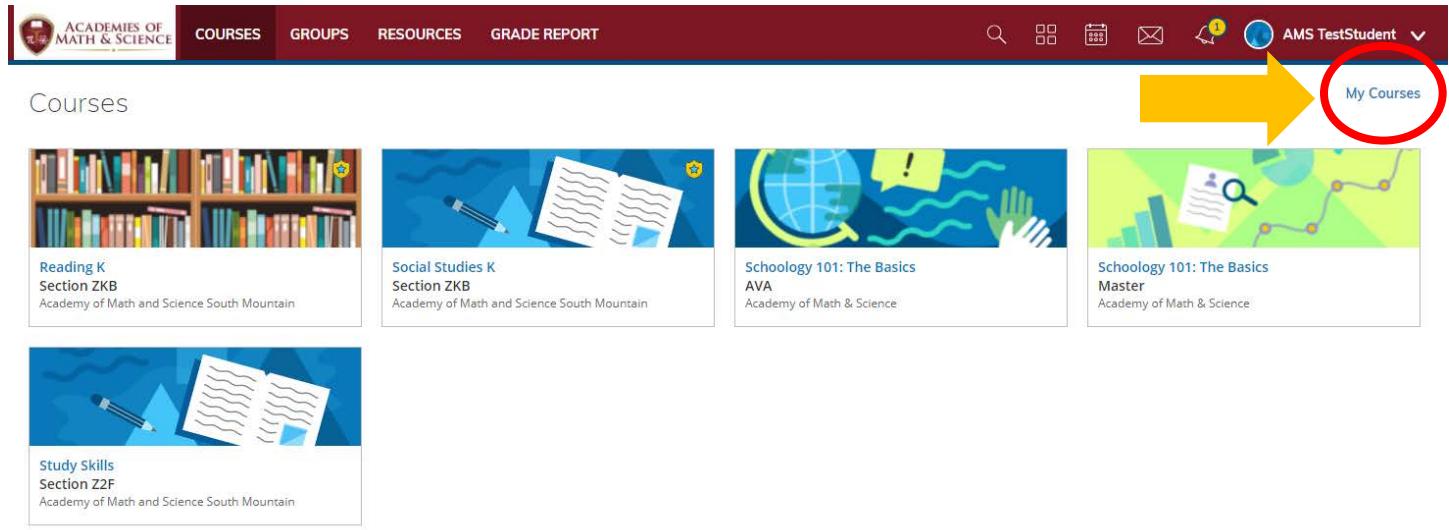

From this page you can click on any of the courses that you see to access them.
