GALA SPONSORSHIP

Celebrating **80 years of Excellence!** Since 1938, Jones College Prep has stood as a symbol of academic excellence in Chicago. This year Jones has the privilege of educating 1,860 young leaders at our south loop campus. Our growth and vitality is a testament to the partnership and profound generosity of our parents, neighbors and city business partners. By design, our school is intrinsically woven into the fabric of our urban community.

Due to the decreased CPS budget, Jones College Prep must rely upon extra contributions to support academic, artistic and athletic programming that are not supported by the budget. In fact, many of these enrichment programs would not be possible without this support that helps to bridge the gap created by decreased federal, state and city funds.

On May 4, 2018 we will hold our annual fundraiser at the Drake Hotel and expect over 400 guests. Our online auction is exposed to over 250,000 people via biddingforgood.com.

This annual event is Jones College Prep's primary fundraiser and we respectfully invite you to join other Chicago businesses that have enriched our school for eight decades.

We are seeking sponsorships that range from \$450 to \$10,000. As a sponsor, your name/logo will appear on print materials at the event and on biddingforgood.com website. We will also host a sponsorship party in June to thank our generous sponsors. All proceeds from the Gala will support the teachers and students of Jones College Prep.

Many thanks for your consideration. If you have any questions please email me at leslie.senne@friendsofjones.org.

Sincerely,

Leslie Senne
