

A *Letter* from the Pastors at SunCoast MCC

A spiritual environment offering truth, trust, and transformation.

Dear Members and Friends of SunCoast MCC,

As we approach this holiest Sunday of all the year – Easter Sunday, we invite you to take a few minutes to give thanks for your connection to a good God and a loving community, SunCoast Cathedral Metropolitan Community Church.

We worship a God who is different from so many of the ways people talk about God – we know a God who does not judge, who offers us grace and hope. Because of that difference, we are a different kind of church – a joyful community where all are accepted!

Jesus was a different kind of Savior and Friend – one who loved outcasts, who brought healing, who spoke out against injustice, who gave his life and was raised from the dead. We celebrate that kind of Jesus every Sunday, but especially at Easter.

You, your friends and family are most welcome to feel the joy and to see the efforts we have made in the last year to become a community of service and witness that aspires to *truth, trust and transformation*. We are a work in progress, and without you, we are incomplete!

Hope to see you for our Good Friday service, *The Seven Last Words*, a special time of reflection and music at 7:00 PM this Friday; and on Easter Sunday morning at 10:00 AM with special music by trumpeter Darryl Mizer.

There is always a seat ready for you!

Grace and Peace.
