

UCT is ready to help you turbocharge your sales and commissions during the 2022 Medicare Supplement Open Enrollment period!

**With rate decreases, UCT is now competitive in 9 states: Ohio, Pennsylvania, Kentucky, Tennessee, South Carolina, Georgia, Iowa, Missouri, and Texas.**

*And to top it off, we've made it easier than ever to check out rates and submit applications with our new **e-app** and **online rate quoting** service built right into the UCT Agent portal.*

*We appreciate and value the commitment and effort it takes during open enrollment, so we want to **reward you with incentives** all the way through the end of the year.*

**Incentive #2: Effective 10-1-21 through 12-31-21 you will receive \$100 for every Medicare Supplement Application that is issued.**

We look forward to – **making a difference together** during the 2022 open enrollment period.

More details will be available in the coming weeks.
